### **Placement details:**

This placement is at a beautiful farmhouse built around the 1850's where Roisin runs the guesthouse and a well known Cookery School. The family consists of Roisin (pronounced "Roshene"), Dean, their daughter Lily May who is 6 years old and their son Matthew who is 4 years old.

Your projects are;

- To design a party area near some of buildings which used to be hay barns,
- Remove moss from the tennis courts and revitalise the area around it,
- Creating a water feature or other such feature in a marshy area, you can be create with ideas to make something much more interesting to look at.

You must try to work methodically and organise your time and priorities. As this is a short term placement you will not receive weekly pocket money but you will of course receive all your meals. Accommodation will be in an annex from the family home. This is a lovely placement on the east coast of Ireland, just south of Dublin city. Your work week will consist of six working days and one full day off.

Duration of placement : **4<sup>th</sup> October until 30<sup>th</sup> October 2011**
